MEMBER OF THE STATE ASSEMBLY, 69TH DISTRICT

REUBEN ROSS

OCCUPATION: Businessman

Dear Fellow Citizens:

Our State Government desperately needs your help. As your faithful servant, I will carry your concerns, present your interests and be your voice in the State Assembly.

I promise to do the following:

To correct the environment in our troubled schools. As a priority we need an effective educational system for our children, for parents and our hard working teachers.

To work closely with Law enforcement, in making our community safer, with anti-crime and anti-criminal laws that will keep those dangerous criminals off our streets. As a husband and father, I strongly support community based crime prevention programs, so we can be secure in our neighborhoods.

To immediately address the problems of local businesses, by creating a productive business environment, with less taxation and less regulation, encouraging businesses to come and flourish in Orange County.

To cut wasteful spending in the State Budget, and balance the Budget by supporting permanent Tax Reduction, not by tax increases.

To give special considerations to our dear Senior Citizens, and give the due honor and recognition for our California Veterans, and those serving in uniform.

Born and raised in Southern California by my Hispanic grandmother, I deeply appreciate the values of a society based on Family, Faith and Hard Work. Putting the people of my district first, will assure an improved State Government that is "for the people and by the people."

I would be honored to serve you, thank you for your Vote and your Trust.

JOHN ADAMS

AGE: 50

OCCUPATION: Civil Attorney

In the unprecedented write-in campaign for this judicial office, I was the voter's top choice. Thanks Orange County.

I'm also law enforcement's choice. I'll be a tough, fair, no-nonsense judge who supports Law and Order, Victim's Rights, Three Strikes, and the Death Penalty. I'm honored to be endorsed by Sheriff Mike Carona and District Attorney Tony Rackauckus.

I'm an experienced attorney, graduate of Stanford Law School and Superior Court Judge Pro Tem. With maturity, skills and the judicial temperament to make sound decisions, I'll work long hours for taxpayers to see that justice is done.

I'm also endorsed by:

Congressmen Cox, Issa, Rohrabacher and Royce.

State Senators Ackerman, Johnson and Morrow.

Assembly Members Bates, Campbell, Daucher and Maddox.

Supervisors Silva, Smith, Spitzer and Wilson.

Mayors and City Council Members.

Anaheim Police Officers Association, Latino Peace Officers Association, Orange County Professional Fire Fighters Association.

Conservative Women's Leadership Association,

COPE (AFL-CIO Unions)

I also have extensive business experience. I've founded companies, created jobs and met payrolls. I'll bring wisdom and judgment from "real world" experience in both law and business to every decision I make.

I'm a community leader, husband, father and church member. I'd be honored to receive your vote.

**JUDGE OF THE SUPERIOR COURT
OFFICE NO. 21**

GAY SANDOVAL

AGE: 50

OCCUPATION: Former Deputy District Attorney

As a Deputy District Attorney for 10 years, I held the hands of molested children and walked them to the witness stand. I assured them that the judge and I would protect them as they testified about how they were victimized. I prosecuted felonies and misdemeanors, child molesters and abusers, and put criminals behind bars.

I started the write-in campaign for Office No. 21, so that there would be no automatic re-election without a name even appearing on the primary ballot.

I have 12 years experience as a lawyer who represents small business owners and as a Judge Pro-Tem. After 22 years as a trial lawyer, I know the courts and the law.

I teach Drug and Alcohol Awareness at Orange Coast College. I was a PTA President, coach, newspaper columnist and raised Guide Dogs. Joe and I have been married 29 years. I grew up in Orange County and we have raised our children here. Maggie attends Stanford and Celinda graduates from high school soon.

The Association of Orange County Deputy District Attorneys, police associations, police chiefs, and judges support me. For endorsements and more about my background, go to www.SandovalforJudge.com.

Vote for Gay Sandoval for your family's sake.

**JUDGE OF THE SUPERIOR COURT

KELLY ANN MACEACHERN

OCCUPATION: Deputy District Attorney, Orange County

Tough - Fair - Supported by Law Enforcement.

For 21 years I've protected our community as a Deputy District Attorney. I've prosecuted hundreds of serious felonies including rape, child molestation, family violence, drugs and gang terrorism. I'm proud of taking violent criminals off the streets, sending them to prison, and being named the association of Orange County Deputy District Attorneys "Outstanding Prosecutor" panel.

Crime victims, police chiefs, cops on the street, elected officials, news media, Republicans and Democrats are behind my candidacy.

Over 75 superior court judges and commissioners urge you to vote for me because they know I'll be a tough, fair, ethical, no-nonsense judge.

My endorsements include:

Former Governor George Deukmejian
District Attorney Tony Rackauckas
Sheriff Lee Baca

The 6,000 member Orange County Bar Association, which evaluates judicial candidates, publicly recognized my qualifications to serve as a Superior Court Judge. The Los Angeles Times endorses me and states She would be fair and impartial. We strongly support her election.

My positions are straightforward: Three Strikes for serious and violent criminals; enforcement of the death penalty, long prison sentences for rapists and child molesters, treatment for drug users but prison for drug dealers, protect Victims' Rights, and give the taxpayers a full day's work every single day.

I grew up in Southern California and graduated from UCLA. I've been married 23 years and live with my husband and children in Orange County where I volunteer with my church, AYSO, Lions Club, PTA and Little League. **JUDGE OF THE SUPERIOR COURT
OFFICE NO. 22**

VICKIE ANN BRIDGMAN

AGE: 47

OCCUPATION: Deputy District Attorney

Dear Voter,

I came in first in the March primary with 46.6% of the vote because the people of Orange County know that I will be a fair judge, committed to upholding the law and protecting our communities. Judge Donald MacIntyre, a great jurist and combat decorated Vietnam Veteran, endorsed me to fill this judgeship upon his retirement for these reasons.

As a Deputy District Attorney I have earned the support of law enforcement and community leaders, such as our nationally respected Sheriff Mike Carona; Chris Kralick, President of the Orange County Attorneys Association, and Vice President of the California Prosecutors Association; Pete Pierce and Carol Henson, leaders in the Association of Orange County Deputy District Attorneys; and numerous police, firefighters, judges, and elected officials.

I have been through the court system twice as a victim. As a child, I experienced the horror of being molested. As a mother, my heart was broken when a careless driver killed my precious son. I am a leader in the Compassionate Friends, an organization that assists families that have lost children. Victims' rights crusader and "Three Strikes" author, Mike Reynolds, former State Senator, Marian Bergeson, author of the "One Strike" law for violent sexual offenders, and Crime Victims United of California endorse me because I strongly support and understand victims' rights issues. I support the death penalty.

My community activities include serving as President of two Bar Associations, Mothers Against Drunk Driving, the March of Dimes, the Society to Prevent Blindness, and President of Drive S.A.F.E., a non-profit organization that sponsors safe driving assemblies in high schools. My work with the Automobile Club of Southern California helped enact the graduated drivers license program resulting in a 40% drop in deaths and injuries among teenagers from car crashes in California.

My working class parents instilled in me a strong work ethic, American values and good citizenship. I worked to put myself through Cal State Fullerton. I attended law school on a scholarship, graduating as Valedictorian and first in a class of over 300.

I have a strong record of protecting our neighborhoods. My prosecutions include gang members, drug peddlers, rapists and robbers. I am currently among a select few deputies assigned to prosecute white-collar crime cases.

I have worked, worshipped and raised my family in Orange County. I will be a hardworking, ethical and commonsense judge. I respectfully request your vote.

**JUDGE OF THE SUPERIOR COURT
OFFICE NO. 27**

GLENDA SANDERS

OCCUPATION: Trial Attorney/Law Professor

Why should you vote for me?

Not just because Sheriff Mike Carona, District Attorney Tony Rackauckas, and the Orange County Professional Firefighters endorse me.

Not just because the Orange County Bar Association has given me its top rating of "Highly Qualified."

Not just because Judge Robert Monarch has retired from this Office No. 27 and has endorsed me as his successor, or because dozens of other judges, including Assistant Presiding Judge David McEachen, Judge Nho Trong Nguyen, and Judge Stuart Waldrip (Ret.), are united behind my candidacy.

Not just because the L.A. Times concluded in March that "... Sanders is the most impressive candidate seeking a seat on the Superior Court Bench in Orange County this election and should be an outstanding judge."

Not just because you have already supported me with the highest number of votes in the March primary.

Not just because I have both criminal and civil experience, having practiced as a trial attorney, a Special Assistant Deputy District Attorney in Orange County, and as a partner in the Orange County office of Latham & Watkins, a nationally recognized law firm. During my 20 year legal career, my cases have included capital homicides, kidnappings, gang-related cases, family law disputes and complex civil disputes.

Or because I am involved in our community, having served on the boards of charities like Human Options, which helps those affected by domestic violence, and Girls' Inc., which promotes healthy after-school activities among teenage girls.

Or because I have taught law at Chapman University Law School, where President Jim Doti and Law School Dean, Parham Williams, endorse my candidacy.

Ultimately I believe I deserve your vote because, as a committed member of this community and the mother of two children, the proper enforcement of our laws and the safety of our neighborhoods are paramount concerns for me. I support the Three Strikes Law and the death penalty in appropriate cases. I have spent hundreds of hours providing free legal advice to victims of fraud, and I fully support Victims' Rights.

In addition to those above, my endorsements include:

United States Representatives Christopher Cox, Loretta Sanchez and Ed Royce; State Senators Dick Ackerman, Lou Correa, Joe Dunn, and Ross Johnson; Assemblymembers Pat Bates, Bill Campbell, John Campbell and Ken Maddox.

With your vote I will work diligently to support law and order for you and your family.

PUBLIC ADMINISTRATOR

JOHN S. WILLIAMS

AGE: 51

OCCUPATION: Law Enforcement, Administrator, Trustee, South O.C. Comm. College District/Businessman

I believe the Public Administrator's office must fight to enact stronger safeguards protecting the public, especially Senior citizens.

The Public Administrator should be an advocate for all persons in Probate.

Traditionally, the Public Administrator and Public Guardian have been one person. This combination can help prevent in Orange County the abuses occurring in Riverside County where a conservator, her attorney and the judge hearing the cases stole millions from defenseless Senior Citizens under their care.

If elected Public Administrator, I'll support the 2001 Orange County Grand Jury recommendations for criminal background checks on all potential conservators.

I'm the only candidate for Public Administrator endorsed by Sheriff Mike Carona and the Peace Officers Research Association of California (PORAC).

I'm a 20+ year career police officer/law enforcement administrator – administered safety/security – Santa Ana Courthouse.

My concern is for public risk when anyone, without qualifications, training, accountability can be appointed court conservator gaining control over private bank accounts/property/assets of the elderly, infirm, disabled.

In addition to my law career, I'm a 3-term community college trustee/board president, elected by voters (1992, 1996, 2000) to oversee 2 college campuses, 2,000 employees, 35,000 students, \$150 million budget.

As a college trustee, I've served on the Orange County Legislative Task Force and California Commission on Legislation and Finance.

I earned a Master's Degree in Public Administration – Pepperdine University.

Endorsements include Police/Fire Associations from; Anaheim, Brea, Costa Mesa, Cypress, Fullerton, Garden Grove, Huntington Beach, Irvine, Laguna Beach, Newport Beach Police, Fire, Marine Safety, Orange, Placentia, Santa Ana, Seal Beach, University Police, Westminster, Orange County Fire Authority, Probation, Sheriff Special Officers.

Additionally, elected/community leaders support me, including; United States Congressmen Ed Royce, Dana Rohrabacher, Senators Bill Morrow, Dick Ackerman, Ross Johnson, Assembly members; Patricia Bates, Bill Campbell, John Campbell; Orange County Supervisors Chris Norby and Jim Silva; Coast Community College Board President Armando Ruiz, USC Football Legend Anthony Davis, California Women's Leadership Association, Seniors and Veterans for Education.

I live in Mission Viejo with my wife of 31 years, a teacher, two children. We attend Saddleback Church. I grew up in a family of 7 children and over 200 foster children.

I have the experience and qualifications listed above to reform our Public Administrator's office, support Grand Jury recommendations and fight for tough legislation. With the support of Senator Bill Morrow, I will protect citizens' rights and assets.

**CITY OF GARDEN GROVE
MAYOR**

BRUCE A. BROADWATER **AGE: 63**
OCCUPATION: Mayor/ Deputy Labor Commissioner

Public Safety is Garden Grove's highest priority. In the last two years we have implemented the Police Department's Strategic Plan to add 8 more police officers to our streets. While I've been your Mayor, crime has dropped over 50%. Recently we passed a strict Cybercafe ordinance to crack down on gangs wherever they may go. Our Fire Department is one of the most modern and best equipped in the State. In the last two years we've added 4 automatic external defibrillators that can save crucial seconds in restarting a stopped heart. We've purchased 2 new pumpers (fire engines), and equipped our fire fighters with infrared systems to see through smoke.

Protecting your property values is also a high priority. During my tenure, our property values have increased by over 50%. Our residents now take pride in living in Garden Grove!

As Peggy and I celebrate our 32nd year in Garden Grove. I am proud of our city's many positive changes and my role in making them happen. These changes include:

Expansion of the Garden Grove Higher Education Center;

A thriving Auto Mall on Trask Avenue;

Sound Walls on the 22 Freeway, one year ahead of schedule;

Cleanup of the Chapman and Valley View corner;

Seven new Hotels, a Restaurant Row, and the creation of a Garden Grove Conference Center;

613 new homes replacing empty lots and dilapidated commercial properties;

The creation of 1000 new jobs, many at above average wages;

There's also been a change in the quality of City Services and the level of Community Involvement during my term as Mayor. For example:

More residents are volunteering in the community than ever before.

We've implemented and improved Community Policing. Good Housekeeping Magazine recognized us as "...one of the best suburban police departments in America".

City Employees provide friendly and high quality Customer Service. Recently we lowered the fees charged to residents for services.

We created a Community Foundation that provides "Renaissance Garden Grove" concerts and events for our families.

We opened the Family Resource Center at Magnolia Park to provide after-school programs, parenting information, and other services.

As your Mayor, I have improved City Services, improved the overall appearance of our community, created a stable financial future, and improved our City's image.

With your help, I can do even more. A vote for me is a vote for continued progress and prosperity. Together, let's make our community's future even brighter.

**CITY OF GARDEN GROVE
MEMBER OF THE CITY COUNCIL**

JOSEPH PAK

AGE: 50

OCCUPATION: Community Relations Director

Vote to improve your quality of life: Vote Joseph Pak for City Council.

I believe in public service. America and our City have been good to me and my family. To me, nothing is more noble than helping others. I want to serve as your councilman and work hard to make Garden Grove a great place to live, work and raise a family. I want to use my talent and commitment to keep our neighborhoods safe, promote a strong economy, and improve our schools.

Thirty-two years ago, I immigrated to America. I worked hard to support my family and make my contribution to our community. I have worked for Pacific Bell for 24 years and am currently the Director of External Affairs. I graduated from USC and earned an MBA degree at the University of Phoenix.

Giving back to our community, through public service, is my way to thank America for all the opportunity she has given me. I am currently serving my second year as a member at California State Rehabilitation Council and serving as a member of the Special Needs Advisory Committee of the OCTA. Since education is important to me, it gives me great satisfaction to serve the Coastline Community College Foundation. As a businessman, I also serve as a board member for the Garden Grove Chamber of Commerce.

My wife and I recently celebrated our 24-year anniversary and remain active in our church. We have three grown children, daughters Sabrina, Jessica and youngest son, Gregory. I am a member of the Garden Grove Rotary Club, Sister City Association of Garden Grove, and associate board at Acacia Adult Day Services. I also serve as an Advisor to the Orange County Office on Aging and the Korean Chamber of Commerce.

As your councilman, I want to build consensus around important issues and help address pressing challenges. I will:

Ensure your safety by supporting our police, fire, and public works departments;

Promote your property investment by fixing our roads and beautifying our neighborhoods;

Support youth and older citizen projects;

Protect residents through monitoring and implementing traffic safety;

Protect residents by strictly enforcing noise ordinances;

Support businesses that will bring needed revenue to our city,

Control expenses, and increase reserves;

Establish office hours so you will always have access to your city council.

MEMBER OF THE CITY COUNCIL**

CHRIS PREVATT

AGE: 41

OCCUPATION: Health Services Planner

I believe it is not enough to create laws that pretend to combat gang violence and crime. We must enforce our laws and address our gang problems. The incumbents believe the answer to fighting crime is writing laws that do nothing to fight crime.

We need additional officers in our gang suppression unit, and more funding for youth programs. Cops belong on our streets not on the City Council. To fight gang violence we need programs for our youth that provide positive opportunities.

Redevelopment is the best way to ensure the prosperity of Garden Grove. A common sense approach to redevelopment planning is needed. The jobs we create must pay quality wages and benefits when we pay the bill for new business development. The Council decided that only commercial property should be added to redevelopment and they believe apartments don't count as homes. True leaders base decisions on fact not political convenience.

As a Sanitary District Commissioner, I know how things work in Garden Grove and I know I can make a difference. Together, we can bring common sense leadership to Garden Grove and continue on the road of Progress and Prosperity.

**CITY OF GARDEN GROVE
MEMBER OF THE CITY COUNCIL**

WILLIAM "BILL" DALTON

AGE: 59

OCCUPATION: Councilman/Retired Policeman

My wife Sandy and I have lived in Garden Grove for 35 years. We have raised our six children here and have been active in our schools, church and community. Our children and grandchildren live in Garden Grove. I love our City and want to help make this the best and safest place for all our residents - for you, for your children, for your grandchildren.

I served as a police officer in Garden Grove for more than 25 years, earning numerous awards and citations, including the Medal of Valor, the highest award given to a police officer. I worked my way up through the ranks from a reserve officer to Lieutenant. I was personally involved in the implementation of community policing which dramatically reduced crime in our city.

When you elected me to the City Council in 1998, I retired as a Garden Grove Police Lieutenant in order to devote my energy to making our City a better and safer place. I have represented you to the best of my ability, and now I seek your vote to continue to serve on the City Council.

There are many issues facing Garden Grove today:

The people, not special interests, should be our first priority
We must listen and respond to the citizens of Garden Grove
We must protect and serve our community
Redevelopment efforts must benefit the people, not just the developers

I want to put the people back in politics. I worked to restore public comments to the televised portion of City Council meetings. I want to restore public involvement in the budget process. I want to strengthen respect for our public safety personnel.

Our children should be safe while in their own front yards. Our teenagers should be safe when visiting a cyber-café. Our senior citizens should enjoy their retirement in comfort and security. The role of government is to protect and serve our community.

We need Responsible Redevelopment. I oppose the use of eminent domain to take away people's homes to build an amusement park or similar ventures. Ask the question, "If we redevelop an area or build more hotels, is there an immediate benefit to the residents of Garden Grove?" If the answer is no, then it is not responsible redevelopment.

My web site is www.billdalton2002.com. My home phone number is (714) 539-1592. I welcome your questions and comments - and your vote.

**CITY OF GARDEN GROVE
MEMBER OF THE CITY COUNCIL**

MARK LEYES

AGE: 44

OCCUPATION: Garden Grove City Councilmember

As your City Councilman, I am honored to represent the values of our families and community.

I am a lifelong Garden Grove resident. My wife Wanda and I are homeowners and active in our church and neighborhood.

Since you first elected me, I am proud of these and other accomplishments:

The Crime Rate has dropped more than 50% over the last decade. Under my leadership, we implemented "Community Policing," a Gang Suppression Unit, and a Strategic Plan to add Police Officers in our neighborhoods and schools.

I have balanced the budget every year, kept us out of the County bankruptcy, and ensured that public money is invested in safe and insured accounts.

I stood up against a plan to subject hundreds of homes to Eminent Domain. We must protect our neighborhoods and quality of life.

I stopped the Utility Tax. I opposed property tax and sales tax increases.

Provided jobs and tax revenue with new restaurants, businesses, and hotels.

New soundwalls and synchronized traffic signals to reduce traffic noise and congestion.

I led a crackdown on Cyber Cafes when two youths were brutally murdered. Our ordinance is now a model for other cities.

I am endorsed by Orange County Sheriff Mike Carona, in recognition of my record on fighting crime. Sheriff Carona and I share a commitment to protecting our children by tracking down and prosecuting violent predators.

We must not take for granted the strides we have made. When I am re-elected I will:

Protect Proposition 13 by fighting against new and higher taxes and keeping City Hall accountable to taxpayers.

Work to keep neighborhoods and schools safe from Gangs, graffiti and violent criminals.

Fight to preserve residential neighborhoods and protect property values.

I attended Garden Grove public schools. I earned my Bachelors and Masters degrees from California State University, Fullerton, I have been a Boy Scout troop leader, a founding member of the Garden Grove Community Foundation, and a member of the Garden Grove Historical Society.

Thank you for the honor to serve as your City Councilman. I ask for your continued support so I can fight to protect our neighborhoods and schools, keep taxes low, and keep our local economy growing.

For additional information, please visit or e-mail my website at www.MarkLeyes.com, or phone me at home at (714) 534-3449.

Thank you for your vote for Mark Leyes for City Council.

**MUNICIPAL WATER DISTRICT OF ORANGE COUNTY
DIRECTOR, DIVISION 2**

LARRY DICK

OCCUPATION: Director, Municipal Water District of Orange County

It is critical that Southern California maintains a dependable, high-quality, economical water supply. As your elected representative on the Municipal Water District of Orange County (MWDOC), my top priority will be to protect our water sources.

Our precious Colorado River water supply is threatened by growing demands from Nevada, Colorado and Arizona. Likewise, our water supply from Northern California has been targeted by agricultural interests and politicians eager to stop the flow of water to Southern California and Orange County.

Even our local water supply is threatened by growing urban runoff pollution that damages our creeks, rivers, beaches and ocean. As your representative on MWDOC, I have the experience, ability and desire to help protect our water supply from these challenges.

I have worked to defend your water interests on the Association of California Water Agencies, as Vice President of the Independent Special Districts of Orange County and on the Water Advisory Committee. My community activities include the Chamber of Commerce, Rotary, Elks, and American Legion.

A reliable supply of water is critical for the future of Orange County. I request your support to continue to protect and preserve this precious resource for our community.

**COUNTY OF ORANGE
IMPARTIAL ANALYSIS BY COUNTY COUNSEL
MEASURE A**

The proposed ordinance would repeal the existing Orange County Campaign Reform Ordinance, and reenact it with certain changes. The significant changes are indicated in *italic type* below.

The proposed ordinance would prohibit campaign contributions for County office in excess of \$1,000 for each of the following elections: primary, general, special, or recall. The same limits would be imposed on contributions to persons or committees that make specified independent expenditures in County elections.

In applying the \$1,000 limit, the following contributions would be added together: a sponsored committee and its sponsor; a corporation and an individual who owns a specified controlling interest in the corporation; a partnership and an individual who owns a specified interest in the partnership; entities that share a majority of directors, or multiple officers, or are owned by the same majority shareholder(s), or are parent and subsidiary; *a business entity and an individual connected with that entity who participates in a decision by the entity to make a contribution*; and in most cases, contributions of minors and their parents or guardians. *Contributions of spouses would not be added together. A husband and wife could each contribute \$1,000. A campaign contributor would be required to disclose to the candidate or committee any other contributions made under a different name that are required to be aggregated with the current contribution.*

A County candidate or officeholder could have only one campaign committee and one campaign bank account from which expenditures can be made. There could be no interlocking committees.

Different candidates could not transfer funds between themselves and their committees. *However, a single candidate could transfer funds between his or her own accounts, subject to the contribution limit of \$1,000 per person per election.*

Late independent expenditures would have to be reported to all County candidates running for the office to which the independent expenditure relates. Candidates would be required to file a post-election Campaign Statement within 15 days of an election, and to file required amendments to Campaign Statements by a specified deadline.

The proposed ordinance would prohibit solicitation or receipt of contributions by county officials and employees from persons who have proceedings before those officials or employees. *It would require the Registrar of Voters to provide County candidates and officeholders with a copy of the Campaign Reform Ordinance.*

Violations of the ordinance would be subject to misdemeanor prosecution and civil actions for specified penalties and injunctive relief. *In addition, the Board of Supervisors could establish an administrative procedure for the resolution of alleged violations and the collection of specified penalties.*

The ordinance could be repealed or amended only by a majority vote of the County electorate, except that the Board of Supervisors could impose additional requirements. *The Board of Supervisors would no longer have the power to adjust the contribution limitations for changes in the consumer price index.*

The above statement is an impartial analysis of Measure A. If you desire a copy of the Measure, please call the Registrar of Voters office at (714) 567-7600 and a copy will be mailed at no cost to you.

ARGUMENT IN FAVOR OF MEASURE A

Measure A is a revision to the County's Campaign Reform Ordinance, also known as the TIN CUP ordinance initially enacted in 1978.

Measure A WILL NOT change the current contribution limit of \$1000 per person per election. It will, however, prohibit the Board of Supervisors from increasing the contribution limit in the future without voter approval.

TIN CUP is the most successful local campaign contribution ordinance in the State of California. The law works so well, you never hear any complaint about it. However, experience and recent court decisions have made it necessary to make revisions in order to improve its effectiveness and enforceability. The areas of improvement consist of preventing evasion of the contribution limit by State Mailer Organizations and other entities making independent expenditures.

The reporting requirements are also being increased. For the first time, candidates running in an election will be required to file a timely post-election campaign statement disclosing campaign contributions and expenditures made just before and just after election day.

Voters throughout the county and the state have consistently supported contribution limits. Runaway election costs have been deterred by limiting contributions from individuals, businesses, political action committees, and other third parties. The limit has been particularly beneficial to those entities seeking contracts, permits and project approvals with the County because they are no longer subject to requests for **unlimited** campaign donations. It has also caused candidates running for County office to broaden their financial base by seeking more, but smaller, contributions from their constituents, which gives the general public a bigger voice in the election of county officials.

Measure A is the best means we have to minimize the influence of large campaign contributions on decisions made by our elected officials.

We urge every voter to vote YES on Measure A.

**COUNTY OF ORANGE
IMPARTIAL ANALYSIS BY COUNTY COUNSEL
MEASURE B**

This measure asks the voters to advise the County Board of Supervisors whether the Board should demand from the Department of the Navy as the present owner of the real property formerly operated as Marine Corps Air Station (MCAS), El Toro, that, prior to transfer of ownership or sale of the former Marine Corps Air Station at El Toro, the Department of the Navy:

1. Provide a complete and thorough study of the toxic contamination found or expected to be found at MCAS El Toro that addresses the inconsistent findings of the prior studies provided by the Department of the Navy, the County's GeoSyntec report, and the referenced City of Irvine study;
2. Provide funding to pay for remediation costs necessary for MCAS El Toro's intended use, including identification of funds to complete removal of all toxic contamination;
3. Identify funds to reimburse the community for any direct or consequential damages or costs the community incurs as a result of contamination; and
4. Complete the actual clean up and remediation of MCAS El Toro prior to its transfer or sale.

As an advisory measure, this measure would have no legal force or mandatory effect. If approved by the voters, the measure would advise the Board of Supervisors that the voters desire that the Board make the demands noted above. It would not require the Board of Supervisors to make the demands, or the Department of the Navy to comply with the demands, if made.

A yes vote indicates that the voter desires that the Board of Supervisors make the specified demands.

**FISCAL IMPACT STATEMENT
MEASURE B**

Fiscal Impact Statement Pursuant to Section 9160 of the Elections Code Regarding the Advisory Measure Concerning Clean Up of Toxic Contamination/Carcinogenic Pollutants and Public Health and Safety at MCAS, El Toro

Because this measure is advisory, it is not binding on the Board of Supervisors to make the demands it provides, nor does it require the Department of the Navy to comply with those demands, if made. Accordingly, there is no direct fiscal effect to the general fund of the County of Orange. However, if the demands were made and the Navy complied, the stream of property tax revenues that may occur due to development would be less subject to risk. Realization of these revenues could be postponed due to delays in the development resulting from the discovery of previously unknown contaminants. Neither the value of these potential tax revenues nor the likelihood of uncovering additional contaminants can be reasonably estimated at this time.

s/ David E. Sundstrom, CPA
Auditor-Controller

ARGUMENT IN FAVOR OF MEASURE B

Please support the Orange County referendum to encourage the Navy to not sell any of the closed and contaminated MCAS, El Toro until it clean of toxic waste and meanwhile create a self-supporting, self-cleaning, private-sector-economy stimulating, "Bren National Park" that included:

(1) a broad wildlife habitat corridor for the California mountain lion and its food chain... joining:

- (a) Chino Hills State Park,
- (b) Prado Dam Flood Basin,
- (c) Cleveland National Forest,
- (d) Don Bren 53,000 acre "nature preserves", and
- (e) Crystal Cove State Park

(2) a lease-paying, five-star luxury California Mission style destination-resort/lodge concession,

(3) a lease-paying university concession, e.g. managed by Fullerton Junior College,

(4) a lease-paying reasonable-international-nonintrusive-"V" configuration-airport (<http://www.ocxeltoro.com>) concession, e.g. managed by Los Angeles World Airports (LAWA) with its international airline treaties,

(5) subsidized low-cost housing and office-space/facilities for:

- (a) park rangers,
- (b) fire fighters,
- (c) university professors & staff
- (c) lodge and airport workers,
- (d) INS and Customs officers,
- (e) federal security inspectors,
- (f) air-cargo sorters/students,
- (g) US Postal Service workers,
- (h) low-paid airport/airline workers and
- (h) the Nature Conservancy managers of the 53,000 acre "Nature Preserve" created by Don Bren in combination with the Cleveland National Forest.

Lease payments from concessions can be split appropriately between the on-going federal Superfund clean-up and water-quality costs; low cost housing subsidies; MCAS, Tustin-Hanger, veteran-museum costs; and the Orange County General Fund for wild-fire protection and local community parks.

PROJECTS

In developing the Project list Santa Ana College and Santiago Canyon College faculty, staff and students have prioritized key health and safety needs so the most critical needs are addressed. The Project list was developed with the input of several hundred faculty, community and business leaders who determined that if these needs were not addressed now, the problems would only get worse. They advised the Board of Trustees that it would be less expensive to upgrade and repair aging community college buildings and classrooms now, than in the future.

The Board of Trustees of the Rancho Santiago Community College District has evaluated safety, class size reduction, and information technology needs in developing the scope of repair and building projects to be funded, as outlined in the District's Master Plan, as amended from time to time, on file at the Public Information Office of the District, including the following projects:

The bond program is designed to provide facilities which will serve current and expected enrollment. In the event of an unexpected slowdown in development or enrollment of students at the two colleges, certain of the projects described above will be delayed or may not be completed. In such case, bond money will be spent on only the most essential of the projects listed above. The District will work with the Citizens Oversight Committee on prioritizing those projects in the event factors beyond the District's control require that projects be reconsidered.

The allocation of bond proceeds may be affected by the District's receipt of State funds and the final costs of each project. The budget for each project is an estimate and may be affected by factors beyond the District's control.

The expenditure of bond money on projects on the Project list is subject to tough financial accountability requirements. Performance and financial audits will be performed annually, and all bond expenditures will be monitored by an independent, Citizens Oversight Committee to ensure that funds are spent as promised and specified in the Project list. No money can be spent on administrators' or staff salaries. By law, all funds can only be spent on repair and improvement projects specified.

**IMPARTIAL ANALYSIS BY COUNTY COUNSEL
MEASURE E**

The California Constitution provides that community college districts may issue general obligation bonds for the construction, reconstruction, rehabilitation or replacement of district facilities, including the furnishing and equipping of facilities or the acquisition or lease of real property for facilities, with the approval of 55% of the voters of the district, voting at an election for that purpose. The California Constitution further provides that the bond measure must include a requirement that the bond proceeds will be used only for the permitted purposes and other requirements designed to ensure accountability.

The Rancho Santiago Community College District has proposed to the voters that general obligation bonds of the community college district be issued in an amount up to \$337,000,000 and that ad valorem taxes be levied upon taxable property in the district to repay the bonded indebtedness. The measure provides that proceeds from the sale of the bonds will generally be used to acquire, improve, construct and renovate district facilities, including construction and renovation of buildings, upgrading electrical, air, plumbing, sewer and safety systems, construction, renovation and equipping of current and additional classrooms, libraries and labs and upgrading classroom technology.

The measure provides that a citizens' oversight committee will be established to ensure that bond proceeds are properly expended and that annual performance and financial audits will be conducted. The measure further provides that bond proceeds will not be used for teacher and administrator salaries and other district operating expenses.

The Board of Trustees of the Rancho Santiago Community College District has called the election for the purpose of submitting the measure to the voters within the district. If 55% of the voters of the district voting on the measure vote yes, the district may proceed to sell the bonds and levy the related taxes as estimated in the Tax Rate Statement. A no vote on this measure will disapprove the issuance of the bonds and the levy of the taxes for such bonded indebtedness.

**RANCHO SANTIAGO COMMUNITY COLLEGE DISTRICT
GENERAL OBLIGATION BONDS
MEASURE E**

An election will be held in Rancho Santiago Community College District (the "District") on November 5, 2002, for the purpose of submitting to the electors of the District the question of incurring a bonded indebtedness of the District in a principal amount of \$337 million. If such bonds are authorized and sold, the principal thereof and interest thereon will be payable from the proceeds of tax levies made upon the taxable property in the District. The following information regarding tax rates is given to comply with Section 9401 of the California Elections Code. Such information is based upon the best estimates and projections presently available from official sources, upon experience within the District, and other demonstrable factors.

Based upon the foregoing and projections of the District's assessed valuation, and assuming the entire debt service will be paid through property taxation:

1. The best estimate of the tax which would be required to be levied to fund the bond issue during the first fiscal year after the sale of the first series of bonds based on estimated assessed valuations available at the time of filing of this statement is \$24.63 per \$100,000 of assessed valuation for the year 2004-05.
2. The best estimate from official sources of the tax rate which would be required to be levied to fund the bond issue during the first fiscal year after the last sale of the bonds and an estimate of the year in which that rate will apply based on estimated assessed valuations available at the time of filing of this statement, is \$24.70 per \$100,000 of assessed valuation for the year 2014-15.
3. The best estimate of the highest tax rate which would be required to be levied to fund the bond issue and an estimate of the first year in which that rate will apply, based on estimated assessed valuation available at the time of filing of this statement is \$24.84 per \$100,000 of assessed valuation for the year 2007-08.

Attention to all voters is directed to the fact that the foregoing information is based upon projections and estimates only. The actual times of sales of said bonds and the amount sold at any given time will be governed by the needs of the District and other factors. The actual interest rates at which the bonds will be sold, which in any event will not exceed the maximum permitted by law, will depend upon the bond market at the time of sales. The actual assessed values in the future years will depend upon the value of property within the District as determined in the assessment and the equalization process. Hence, the actual tax rates and the years in which such rates are applicable may vary from those presently estimated as above stated.

ARGUMENT IN FAVOR OF MEASURE E

Santa Ana College/Santiago Canyon College Student Safety, Classroom Repair/Technology Renovation Measure ... with strict Taxpayer Safeguards.

Tens of thousands of our students depend upon Santa Ana and Santiago Canyon Colleges to prepare for 4-year college and jobs. ***Measure E is critical to their future!***

TREASURER JOHN MOORLACH thoroughly reviewed Measure E and gave it “**STRAIGHT A's**” for Fiscal Prudence, Taxpayer Safeguards and Accountability.

STRICT TAXPAYER SAFEGUARDS guarantee Measure E funds will be spent exactly as promised - efficiently and without waste!

- An **Independent Citizens Oversight Committee** will oversee all expenditures.
- **Annual Independent Financial and Project Audits.**
- **By law, Measure E funds can only be spent on classrooms/buildings. No money can be spent on administrators' salaries.**

SHERIFF MICHAEL CARONA strongly supports Measure E: “Following September 11, we must maintain the ability to train police, fire, paramedics, nursing and emergency personnel. Measure E will construct a **Public Safety Institute** that is critical for maintaining the best local public safety/emergency medical programs in California.”

Santa Ana/Santiago Canyon COLLEGE PROFESSORS support Measure E.

Santa Ana/Santiago Canyon Colleges lack adequate libraries, classrooms and labs. Explosive enrollment growth has led to severe overcrowding. Some buildings are 40+ years old. Roofs leak. Worn electrical systems, aging plumbing, and heating systems need renovation. Bathrooms are rundown. Classrooms built before computers/Internet need rewiring for technology. Students need classrooms, lecture halls, science labs, and learning centers.

Measure E will:

- Increase disabled access, provide earthquake retrofitting, and improve security systems.
- Rewire classrooms/libraries to provide students with high tech learning centers.
- Construct **Public Safety Institute** to train firefighters, police and paramedics.
- Make repairs now ***before things get worse and cost even more.***

YES on Measure E.

It's critical to our students' future.

**FULL TEXT OF MEASURE N
CITY OF GARDEN GROVE**

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF GARDEN GROVE AMENDING THE HOTEL VISITORS TAX ESTABLISHED IN CHAPTER 3.12 OF TITLE 3 OF THE GARDEN GROVE MUNICIPAL CODE

The people of the City of Garden Grove hereby ordain as follows:

Section 1. Code Amendment

Hotel Visitors Tax. Municipal Code section 3.12.030(a) entitled "Tax Imposed" of Chapter 3.12 entitled "Hotel Visitors Tax" of Title 3 of the Municipal Code is hereby amended in its entirety to read as follows:

"3.13.030 Tax Imposed. (a) For the privilege of occupancy in any hotel or other transient lodgings as defined in this chapter, each transient is subject to and shall pay a tax in the amount of 13 percent of rent per day charged by the operator. The tax constitutes a debt owed by the transient and/or owner to the City, which is extinguished only by payment to the operator or to the City. The tax shall be paid to the operator of the hotel at the time the rent is paid."

ARGUMENT IN FAVOR OF MEASURE N

We urge you to vote YES on Measure N.

Measure N will provide badly needed funds for police, fire and other essential city services. Measure N authorizes an increase in the Hotel Visitor Tax by 3%. This increase will be paid for by tourists who stay in Garden Grove hotels... **not** Garden Grove residents.

Measure N will help ensure that the hotels pay their fair share for city services.

We have studied this issue and want to give you the facts about the Hotel Visitor Tax.

The Hotel Visitor Tax in Garden Grove provides essential funds to run city services. Garden Grove's public safety professionals support Measure N because it will provide nearly \$2 Million Dollars per year to the City of Garden Grove... money that will mean safer streets and greater security.

Garden Grove currently has a 10% Hotel Visitor Tax that each hotel visitor pays. This is added on to each hotel bill at the end of a tourist's stay. Almost every community in America has this tax.

Our Hotel Visitor Tax is currently 33% lower than Anaheim. Tourists staying in Anaheim pay a 15% visitor tax. Measure N will increase the Garden Grove Visitor Tax to 13%, still lower than neighboring Anaheim. Garden Grove's hotel operators have studied this issue and are firmly convinced that a 3% increase will not harm their businesses or tourism. We will still be competitively lower than Anaheim!

We must be ready to meet new challenges. These are difficult times for our country and our community. We need to make sure that our local government can respond in any emergency situation or crisis. Measure N will help keep Garden Grove ready to respond to any emergency situation.

REMEMBER, THIS TAX IS PAID FOR BY TOURISTS WHO USE OUR CITY SERVICES ... NOT GARDEN GROVE RESIDENTS.

WE URGE YOU TO VOTE YES ON MEASURE N

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE N

This measure would make Garden Grove's hotel and motel occupancy taxes one third higher than the average of the tax on the cities bordering Garden Grove, 62 1/2% higher than some.

Our councilmen have gone hog wild creating multimillion dollar debts by donating multimillion dollars to developers. Now they want such high taxes as to scare visitors away.

With the first hotel being built at Harbor and Chapman, Garden Grove hotel and motel bed taxes were raised from 6% to 8%. Later they went to 10%. How greedy can our councilmen get? Is the next step 20%? or 30%?

About \$15,000,000.00 per year of Garden Grove property taxes go to the redevelopment agency where most of it is donated to hotel developers instead of going to schools and for vital city and county expenses. Do our councilmen expect Measure N to make up for their squandering our property taxes?

If enough visitors would be foolish enough to pay such high taxes that the hotels do not go bankrupt, what would Garden Grove residents benefit? In the last six years the city's general fund revenue has increased about 50% but we still have about the same number of police and firefighters and our residential streets are on a 13 year schedule for resurfacing when they had been on a schedule of a slurry seal or asphalt overlay every 4 years.

Tax and fee increases in recent years have provided no benefits for the residents. This Measure will not benefit us. - We urge opposition to this 30% increase.

ARGUMENT AGAINST MEASURE N

Twice Garden Grove voters voted against increasing Garden Grove's hotel and motel bed taxes from the present 10% which is higher than the average of the cities bordering Garden Grove. Why would visitors pay 13% taxes when they can pay 8% or 9% in neighboring cities?

Although the voters twice said no, our greedy councilmen appear to have other intentions than to work for the benefit of the residents. Example: They recently added residential property to a redevelopment project area where it can be condemned by eminent domain, the residents required to move and the redevelopment agency receives more of Garden Grove property taxes where it cannot be used for citizen benefits.

Recent tax and fee increases haven't provided more police protection, fire protection or other citizen benefits. Actually some of our police officers have been assigned to patrol hotels built with multi-million dollar subsidies of Garden Grove tax dollars.

Garden Grove councilmen have heavily subsidized new hotels with Garden Grove property taxes gambling that Anaheim hotels cannot accomodate all of the Disneyland visitors. Haven't they noticed Anaheim adding hotels within walking distance of Disneyland? Do they think raising the hotel occupancy rate 30% will lure visitors?

How will the tax increase benefit Garden Grove residents? Money we pay for city water is now being used for other than supplying us with water. Money we pay for trash disposal gets used for other things. Property taxes had been paying for sewer services. We now pay sewer fees. What have we gained from the tax and fee increases? Not more police or fire protection nor more resident benefits. Even our streets get less maintenance. So why more tax increases?

What is gained from increasing the hotel occupancy taxes if it causes tourists to stay at hotels with lower taxes or at hotels within walking distance of Disneyland

REBUTTAL TO ARGUMENT AGAINST MEASURE N

We checked the facts and asked the experts. The arguments presented by the two individuals against Measure N are either misleading or flat out wrong.

#1. **Measure N will not hurt tourism.** The major Garden Grove Hotel owners have endorsed Measure N. They know their businesses will be helped, not hurt, by Measure N. In addition, the Garden Grove Chamber of Commerce twice previously endorsed hotel visitor tax increases. We trust that our hotel owners and business organizations know more about this issue than the two people who are against Measure N.

2. **All of the hotel visitors tax goes the city's Basic Funds, not to redevelopment;** and most of these Basic Funds go to public safety. We checked with Tony Andrade, Finance Director for the City of Garden Grove. Mr. Andrade stated on July 26, 2002 that "Visitor tax money is deposited in the Basic Funds, not redevelopment. It is also true that 68.3% of all the general fund in FY 2002-03 goes to public safety and related expenses."

3. **The self-described "taxfighter" who opposes Measure N never tells you his plan to pay for police, firefighters, and other public safety needs.** Where will the money come from? Does he plan to cut services? Does he plan to raise your taxes?

We trust the facts presented by Mr. Andrade, the Chamber of Commerce and the businesses directly affected by Measure N. A Yes vote on Measure N will responsibly address our City's Public Safety needs.
